I've done hypnosis years ago and it wasn't successful,  
apparently I couldn't be hypnotised... but today ...  
I felt it was the right time for me.. it felt right today..  
I felt that my mind was really open to suggestion...  
I feel like I've committed now. - Bronwyn

Angela Quit Smoking 8 months ago (Nov 14) and tells us about it.

"It's like I've never smoked before. I don't need to smoke". Angela was a 30 a day smoker and says she hasn't had any urge and "it's like I don't need willpower".

Check out [www.makechanges.com.au](http://www.makechanges.com.au) for the video of what Angela had to say.

Stuck in a never ending loop of going back to cigarettes when life got difficult, I booked in for a hypnotherapy session to quit with Wendy. Whenever I have quit before I have a last cigarette at night, start on nicotine patches the next morning and 'hope' to get thru the 1st day, then the 2nd etc etc-always a real struggle that first week. Each time I'd tried to quit lately I couldn't get thru the first day. I have NEVER been able to quit part way thru a day-ever.

My session with Wendy was at 12.30, I had a 2 hour drive there after working away and arrived with maybe 20-25 cigarettes smoked- like I was saying goodbye to them. I had my session with Wendy, over an hour.

I drove back the 2 hours for work. I did not even FEEL like having a cigarette. Haven't since other than one or two moments seeing it in a film and thinking it looks nice, but didn't still actually want one.

Its 7 weeks today- Its like a minor miracle to be honest. I don't know how the hypnotism works, it just does. Its like they hold no appeal to me- I'm not repulsed by cigarettes either- they are just nothing to me.

Oh, and I spent years working for a tobacco company, at my worst of 30 years smoking I hit 80 a day. If this stuff works for me-Wendy can make it work for you.

As I say, I don't know HOW it works, I just know that it DOES work.

- Dean, Flemington - August 2015

"Fantastic I haven't smoked in almost 2 weeks and feel amazing no more tiredness during the day. Wendy made it so easy to give up smoking almost like a miracle. Thanks Wendy x"
